Technical drawing of a vertical component. The drawing shows a side profile of a complex mechanical part. A vertical dimension line on the left indicates a total height of 58.00. A horizontal dimension line at the bottom indicates a width of 7.95. The component features a central vertical shaft with various rectangular blocks and cylindrical sections attached to it.

An abstract graphic design consisting of a vertical stack of horizontal bars in various shades of blue and grey. The bars are of different lengths and are arranged in a way that creates a layered, architectural effect. The colors range from dark navy blue to light sky blue, with some grey bars interspersed. The overall composition is minimalist and modern, with a focus on geometric shapes and color contrast.
